Summary

Passionate Sports Journalism student, experienced in using Microsoft Office, recording equipment, and editing software. Excellent interpersonal skills developed through time spent volunteering and travelling to see sporting events live. I have a disability which prevents me from both walking and talking. However, my condition does not stop me, it just makes me more determined.

- Sport Leader's Awards (2011) at Treloar's School

Interests

Journalistic Interests

- Passionate about sports, in particular Formula One. Enjoys travelling to see the sporting events live; especially enjoyed visiting Abu Dhabi, Belgium, and Germany for their F1 Grands Prix.
- During time at Abu Dhabi, went behind the scenes and met a renowned F1 journalist, David Tremayne, who offered to be a mentor throughout degree and career as a journalist. This experience also helped gain many other connections in F1.
- In the future, hope to be a professional journalist whether that is in F1 or in sport in general.

Personal Interests

- Although main passion is F1, I am also an avid supporter of Tottenham Hotspur and often attend matches with family.
- Love listening to a variety of music, in particular Gregory Porter, Oasis and The Amazons. Regularly attend gigs with friends.
